

src/main/sitl/sitl.h

```
graph TD; A[src/main/sitl/sitl.h] --> B[stdint.h]; A --> C[fc_sitl.h];
```

The diagram illustrates a header file dependency. A central box at the top, labeled 'src/main/sitl/sitl.h', has two blue arrows pointing downwards to two separate boxes below it. The left box is labeled 'stdint.h' and the right box is labeled 'fc_sitl.h'. This indicates that the 'src/main/sitl/sitl.h' file includes both 'stdint.h' and 'fc_sitl.h'.

stdint.h

fc_sitl.h
