

calculateRollPitchCenter
Status

```
graph LR; A[calculateRollPitchCenterStatus] --> B[rx_get_channel]
```

A flowchart with two rectangular boxes. The left box is light gray with a black border and contains the text 'calculateRollPitchCenter' on the top line and 'Status' on the bottom line. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'rx_get_channel'.

rx_get_channel
